**Area Meeting:** Bill D opened the Area meeting at 12 noon with the We version of the Serenity Prayer. Chris read the 12 Traditions, Lori read the 12 Concepts, and Mary Nicole read the Purpose of the Area.

### **Open Forum:**

- Carrod passed around the mailing list sheet for any changes to be added. Please make any necessary changes to GSR and GSRA's. Also, if you do not receive a report from me at least a week before next area, please feel free to call me so that I can get it to you.
  - Vernon- the motion that went back to the groups to vote on was not clear. There are some questions my group needs answers to. There was no financial obligation. This motion should be tabled until this issue is addressed. I would also like to thank the Activity Sub committee for their fund raiser, but the support was just not there.
  - Maria- I can answer any questions you have. We have to invite GRETN to come to Macon or the Piedmont area. The function requires several areas of support. The function will be held in 2012.
  - Frank- We need to take care of home first!!!. Why are we going out of the area when our area should come first.
  - Blake- This motion was brought to the floor a few months ago.
  - Arnold- Phoenix group and Dublin is coming up with a unity day. More will be revealed.
  - Frank- Did we ever change the motion in policy to not remove anyone from the list. We should not remove anyone from the meeting schedule.
  - Dave- We do not remove anyone from the meeting schedule, just the roll.
  - Arnold read the policy pertaining to Frank's question.
  - Doris- We spend too much time putting personalities into everything. We as NA are a whole. If you choose not to support your area, then don't support it, but don't bash it either. People need to make up their minds what they want. This is a we program. All the monies wind up at World in the end. Please keep the personalities out of this and put that negative energy into positive energy and we can make this area RICH.
  - Andre- Macon is not the only City. We should reach out to other cities for support. Activity
  - Frank- How many months were we under prudent reserve.
- Motion to wave the reading of previous minutes was unanimous.

- Carrod passed around the mailing list sheet for any changes to be added. Are we supposed to mail out the minutes to whoever wants them. The answer was no. The minutes should only be given to the committee, sub-committee, GSR's or GSRA's. It can be given to anyone who wants a copy thru email.
- Doris mentioned the the PASC Activity committee will be having a Prom. The tickets will cost \$10 if you buy them now or \$15 at the door. You asked for this committee to come back so we need your support.
- Vernon suggested that we have a CAR workshop.
- Ryan says we are loosing sight of why we are here. We are here to support groups. We seem to get wrapped up in ourselves. There is too much arguing going on.
- Andre has a discrepancy with the Mission. They are starting a new meeting and he feels that their meetings are governed. They will not allow all addicts to attend, which is not what NA promotes.

**Area Meeting:** Bill D opened the Area meeting at 12 noon with the We version of the Serenity Prayer. Arnold read the 12 Traditions, Jay read the 12 Concepts, and Wayne read the Purpose of the Area.

### Open Forum:

- ✚ Judy – Received a GA Dept of Revenue invoice which came to the gym demanding payment of \$82.20. Not sure why it came to the gym and not our PO Box. We have 30 days to appeal. Judy will go to the Dept. of Revenue to see if she can straighten it out. It appears that if we sell anything we have to pay a sales tax.
- ✚ Bill – Many churches that do sell stuff have to pay a sales tax. It will be take care of.
- ✚ Judy – I sent an email out suggesting that we have an Area picnic at Central City Park.
- ✚ Mike – The motion we have to vote on needs to be amended or reworded. If we pass the motion today, it will cause problems. It is not correctly worded.
- ✚ Vernon – This was discussed before the motion was put in. Anniversary committee has their own account.
- ✚ Vernon – We are not professionals. We are a room full of junkies.
- ✚ Mike – We understand the intent but our group voted according to the wording.
- ✚ John – We can tweek the idea until we find the right wording.
- ✚ Brandon – We are junkie in here, but we need to take the time out.
- ✚ Maria – Vernon is right, we know what the motion means, but 20 years from now they will not know what it means.
- ✚ Slappy – Suggested Policy Chair check the motions before they are submitted.
