Charlotte asked when the treasurer audit would be completed? Stephen advised GSR's that were selected need to set up a time to complete. Lisa brought up need to make service work at area level more attractive. Stephen advised he has been putting out please to bring sponsees and newcomers to area. Lisa advised will announce during anniversary. Noah asked for food to be provided for GSR workshop/area meeting. Lisa brought up area should have it own coffee pot, and Stephen confirmed area does. Edward brought up concerns about food not being a good use of NA funds. Most GSR's agreed it would be. Lisa advised it could be if it makes service work more attractive. Roland advised his concern is if it is ethical to vote breakfast for ourselves but considering it could be attractive to newcomers and help to carry message then maybe it would be a good idea. Charlotte advised that if this goes through then people need to stay for whole area meeting not get food and leave.
