

PASC BUSINESS MEETING

10/06/2024

GSR workshop Opened at 1113am by Colline O with serenity prayer.

Colline O announced need nominations for service positions for area service body.

Colline O also announced that GSRs should be reviewing the policy with their groups and bringing issues back to area.

Edward brought to the floor that change is important.

It was brought up if we have excused absence and how it worked. Edward explained the way policy is written you can come to one area miss two come to one and still hold your position.

The bank account was brought up, several people on the account are inactive and need to be removed. Colline, Vivian and Robin will make an appointment with the bank to get it updated.

January GSR workshop will go over policy after discussing with the groups.

Area Meeting

Colline O opened with serenity prayer at 1204

12 Traditions read by Thomas C

12 Concepts read by Noah

Purpose and function of area read by Frank

Open forum

Edward requested minutes be labeled to open second file to view nomination and topic forms.

Vivian asked about the food budget and if it was going to remain \$50. GSRs decided to keep at \$50 and not bring donuts anymore.

Charlotte brought up if coffee and sugar are coming from that \$50. Advised no that is purchased by area.

Bill advised he went to the region but was having printer issues and has not printed them yet. Bill also advised that meeting sheets need to be updated.

It was decided among the meeting sheet debate that groups need to be contacted to confirm if they are meeting and if they are no longer participating in area they need to be removed from the meeting schedule.

Anniversary is requesting groups try to donate \$20 a month to help put it on.
