Roll Call of Home Groups in Attendance: 10 GSR's Present

New GSRS: None

**GSR WORKSHOP:**

The GSR's discussed how many of them had discussed giving the Anniversary Committee the money that they asked the area for at the previous area services business meeting. The GSR's determined that they would vote on it during new business.

**OPEN FORUM:**

Mr. Bill discussed H & I ordering their own literature and that we should ensure that we are only paying one shipping fee. He went on to discuss access to the distribution list for emailing the minutes to anyone that wanted to send out the minutes, posting updates on the Piedmont Area website calendar, and the importance of checking to see if other groups are hosting an event prior to scheduling an event for your group in order to avoid multiple events on the same date.

Charlotte C. asked about filling the PR position due to the person fulfilling the role has never been formally nominated and voted into the position.

Joseph P. discussed H & I's \$200 allotment, the area should meet every month instead of 9 times a year and not having enough time to go back to his group with the correct information about the amount of money the Anniversary Committee asked for.

Edward D discussed the policy and voting changes when removing a person from office.

Noah W. discussed the GSR workshop, NA.org and completing the member survey, and to please remember to include a registered NA logo on all NA related event flyers.

Kenneth W. asked questions about filling in when the GSR is out due to health reasons.

April C questioned about the NA logo not always being on previous flyers.
